

WARREN

The Warren is the result of extensive consultation and focused research into the best solution for the rapidly expanding free range sector in the UK. Bred from proven Hendrix lines, it is set to become the champion of free range.

The Warren will be slightly larger framed with all the advantages of modern hybrid egg quality, productivity, and performance. Resilient and well behaved, no matter what it encounters, the Warren is ready for the rigours of the range.

Free Range

Eggs per hen housed to 72 weeks	316
Eggs per hen housed to 80 weeks	359
Average egg size to 72 weeks	64.8g
