

HY-LINE BROWN PLUS

The Hy-Line Brown Plus has all the benefits of the Hy-Line Brown but with an increased egg weight of up to 2g.

The world's most balanced brown egg layer, the Hy-Line Brown peaks well, has an excellent temperament, and begins lay early with optimum egg size.

Offering the ideal balance for Enriched Colony and Alternative production systems, the Hy-Line Brown Plus is the perfect choice for a more profitable future.
